14 be taken from time to time. This source is located within an area that
15 has been designated by the State Engineer as coming within the meaning
16 of the provisions of the 1939 Underground Water Act as amended in 1943;
17 therefore the State has the right to regulate the use of the water
18 therein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.4 cubic feet per second.

Actual construction work shall begin on or before March 23, 1948

Proof of commencement of work shall be filed before April 23, 1948

Work must be prosecuted with reasonable diligence and be completed on or before March 23, 1949

Proof of completion of work shall be filed before April 23, 1949

Application of water to beneficial use shall be made on or before

March 23, 1950 . Proof of the application of water to beneficial

use must be filed with State Engineer on or before April 23, 1950
